## **Pre-Assessment Information**

Thank you for completing this questionnaire. Please return it via email to – [aireworthdogsinneed@gmail.com](mailto:aireworthdogsinneed@gmail.com) and **attach a photograph of the dog**, as requested above in the ‘Dog’s Details’ section. It is your responsibility to submit all of the requested information. Incomplete submissions may not be considered.

After we have received your form we will contact you for a pre-assessment phone conversation. If following that phone conversation we feel we could safely rehome that dog we will arrange a home visit.

At the home visit we will ask about your dog's health, training, behaviour, dislikes, personality etc. We will want to see how your dog behaves in the home and on a short assessment walk. We require your consent to access the dog's vet records and to check who the microchip shows to be the legal keeper.

If following the complete assessment we feel we can safely rehome your dog we will discuss the next steps with you. This usually involves you keeping the dog until we can find a suitable placement. We do not have kennels and we have to have an appropriate temporary or permanent home available which is suitable for your dog's needs.

- We require all dogs to be up to date with their vaccinations and to have had a recent health check prior to coming to us.
- If the reason for rehoming is a recent / sudden change in behaviour we require you to arrange for a vet health check to establish if the behaviour change is potentially linked to health issues, pain or discomfort.
- All dogs rehomed by us are offered “Rescue Back-Up” for the rest of their lives.

Please ensure you are absolutely certain you want to rehome your dog before asking us for support. We waste a lot of time assessing dogs whose owners then change their minds.

We ask owners who relinquish their dogs to make a donation to help with the rehoming costs.
